

Diekema Hamann Architecture & Engineering, requests bids on behalf of Traverse Bay Area Intermediate School District (TBAISD) for renovation and restoration to Beaver Island Light station Barn and Fuel Oil Building. Sealed fixed price bids are due no later than 2:00 PM on April 20, 2006 at which time they will be read aloud in the TBAISD/Michigan Works! Division at 890 Parsons Road, Traverse City, MI 49686. Late bids will not be accepted. Site visits are encouraged by all contractors who are bidding on the project prior to submitting bids but are not mandatory. To arrange a site visit please contact Bob Dooley @ 231-448-2468 , he will be available by appointment for those interested in visiting the site. Documents are available at Builders Exchange in Traverse City and Grand Rapids. TBAISD reserves the right to reject any and all bids and is not obligated to accept the lowest bid and may waive any informality or irregularity in the bidding procedure. This project is funded in part by the Michigan Lighthouse Assistance Program and grant administration of the Michigan Department of History, Arts and Libraries, Michigan Historical Center, State Historic Preservation Office.
